ABOUT THE PRODUCT

Sun, drinks, turquoise waters and irresistible tans - that's all we need with Tan Asz U Yachts & Shots 400X Double Shot Bronzer Tanning Lotion. Join the ranks of the beautiful people with the glow of a sun-kissed goddess as 400X Double Shot bronzers elevate your tan to elite levels in a magnificently dark finish. A super dark Ocean Mineral and Sea Salt cocktail with a shot of bronzing rum provides intoxicatingly beautiful skin and a rich, dimensional bronze, while an advanced Coconut Water Base adds extra nutrients for superb tone and radiance. This indoor tanning lotion is designed for tanning beds and does not contain SPF or provide sun protection, so always pair with appropriate protection when exposed to the sun. This opulent, silky formula leaves skin feeling smooth and beach-ready, finished with a Blueberry Gardenia fragrance that channels high tides and good vibes.
