MyGrammarLab with key MyGrammarLab with key c'a t c gi' MARK FOLEY v  DIANE HALL . B  s ch chia l'm 3 cu'n (kha d'y, in m' ): - MyGrammarLab Elemental A1-A2 with & 4 CD Audio - MyGrammarLab Intermediate B1-B2 with Key & 4 CD Audio - MyGrammarLab Advanced C1-C2 with Key & 5 CD Audio Link View Book Content: Audio Listening File: This grammar book consists of key and full CD. This can be considered as the best MOST COMPLETE and MOST MODERN grammar book published by PEARSON in 2012. Compared to the traditional grammar books of well-known publishers such as Oxford, MacMillan or Cambridge, this series consists of 3 books (Elementary, Intermediate and Advanced) which have many different characteristics: 1. The content of grammar knowledge is updated and divided into modules according to different topics. Each module consists of several modules consisting of a concise and easy-to-understand theory section and a lab. The first part of each module contains a general summary of grammar skills and then a self-test of knowledge. Each test set mentions a lesson in the module. The student will look up the answer to see if he is right or wrong; If it's wrong, you can immediately go to the lesson in this module to learn this knowledge. At the end of each module there is a check of the knowledge of the entire module. 2. Students can practice listening and speaking skills through audio files instructing PRONUNCIATION, and can LISTEN TO SELF-TEST SOME exercises without seeing the end of the book. 3. In the theoretical section of each module, the author specifies common GRAMMAR ERRORS to avoid the learner. 4. A feature of this series that is not visible in other grammar books is that the author devotes two modules with several units at the end of each book to help students distinguish and practice formal language with informal language; SPOKEN LANGUAGE with written language. At the same time, the author also specified the natural way of speaking and writing native speakers and the language used in ACADEMIC in the theoretical part of each module. 5. Each exercise in the books has a complete response to the exercises at the end of the book and the accompanying Mp3 audio file. 6. Not only learning grammar students can accumulate more vocabulary (words, phrases and sentence structures) that are many in the book. A SET OF GRAMMAR BOOKS THOSE WHO REVIEW INTERNATIONAL EXAMS SUCH AS IELTS OR TOEFL AND WHO ARE STUDYING ENGLISH AT DIFFERENT LEVELS. NOTE: Students can rank from low (elementary) to advanced or choose the level that suits them. At each level, the student does not have to learn all the modules and lessons, but only learn or look at something he or she does not master.
