Please play responsibly]. He was joined by Sporting Panda for several pre-Christmas celebrations for what was supposed to be a question of just figcastextra. We discussed FI at the moment, IPO, reindeer and much more! I was joined once again by the Football Index SOTD, previously on episodes 137, 100 61 and 46. We discussed his latest list of 6, passive trading, platform mechanics and career bet! They were joined as usual by Sporting Panda alongside special guests Caan Berry and FI Dunwell. Caan is the author of gambling and pro trader Betfair and Dunwell is chief executive of the £750m revenue company, which has been trading on the Football Index since March 2020. We discussed the risks and benefits of the Football Index, the complexity of the rules of the game and the game, and the FI as a concept. I was joined by Otto, who the current strategy is very short-term focused on in the long run. Build larger longer positions using short-term trading techniques. As always, Sporting Panda joined me to discuss Adam Cole's resignation as ceo of Football Index, Paul Pogba, Champions League and IPO. I was joined by the FI owls, who are pro advantage gamblers and 6-person portfolio investors. Joined me as always sporting panda to discuss the current state of the market, ending discounts, R9 vs CR7, trading spreads, changes in the index and much more! I was joined by a full-time trader and fi cartel content creator to discuss positional changes, turbulent last 2 weeks of the market, trading strategies, player pricing and much more! He joined me as always sporting panda, but also a special ASP guest for his 3rd FigCastExtra look. We discussed the rollercoaster 10 days of what the FI can do in the future and what needs to be changed to unleash the full potential of the Football Index. I was joined by club FI, a FI content creator who has his own website: where he helps entrepreneurs with business advice and FI insight. We discussed the state of the last market, huge declines, market depth, career betting vs 3 years holds, and much more! I joined as always by Sporting Panda to discuss market depth implemented, market condition, deals and floor offerings, Phil Foden, England, 5 subs and much more! I was joined by FI Charlie, an investor in the real company Football Index through seeds - as well as an entrepreneur since 2016. We discussed the latest fi piece comms where it went wrong implementation of OB, what they need to do in the future - and much, much more! We have once again been joined by a full-time entrepreneur entrepreneur B, and what an amazing comeback - Sporting Panda. We discussed the latest Football Index announcement, cutting every part, including depth, new offer zones and circuit breakers. I was joined by FI Gerrard, a professional engineer who joined me as a rookie on the show. We talked about the current state of FI, Jota, player pricing and much, much more! Panda is out this week with what appears to be a covid-19, and here's hoping it's going to get better soon! His capable deputy in Lee B, joined me to talk about the latest fi comms, data center, no sales prices, liquidity, order book depth, United and OGs, Chelsea and Werner, Messi, Man city and more! The trading bear is a trading teacher, but previously a cryptocurrency trader. TC operates in IT and business change, and has a short- and medium-term trading strategy on the Football Index. We discuss technology debt, trading strategies, trading trends and more! This website uses cookies to improve the quality of use. We assume you're okay with that, but you can opt out if you want.
