Comments from an Aioli Aficionado

NAME OF AÏOLI AND DISH _____

SEE & SNIFF

Note colour, texture and consistency of aïoli. Dip a pretzel in and hold it to your nose. What aromas can you detect? Are any overpowering?

TASTE & TEXTURE

Pop the pretzel into your mouth and chew. What flavour notes can you detect? Citrus, herbs, garlic? Notice mouth feel. Is it silky, creamy or gritty?

PAIR

Dip a piece a food from its accompanying platter into the aïoli. How does it alter the aïoli's flavour? Does it mask the vegetables, fish or lamb or enhance their flavours? Is it refreshing or heavy?

SWALLOW

How does the aïoli affect the way the food slides down the throat? What flavours linger on the palette?
