

Level E

Harri Happa lives in Kolofo'ou and teaches art at 'Ahopanilolo Technical Institute. He has participated in several local exhibitions and represented Tonga with ON THE SPOT at the 2008 Pacific Arts Festival. He enjoys producing art in many different mediums.

This book is proudly brought to you by the Sight Word Book Project: a collaboration between Tupou Tertiary Institute and Peace Corps Tonga Volunteers. Funded by the American Embassy in Suva. Edited by Halaevalu Mohefo Tuita

Put Rubbish in the Bin

Author: Talita M. Helu

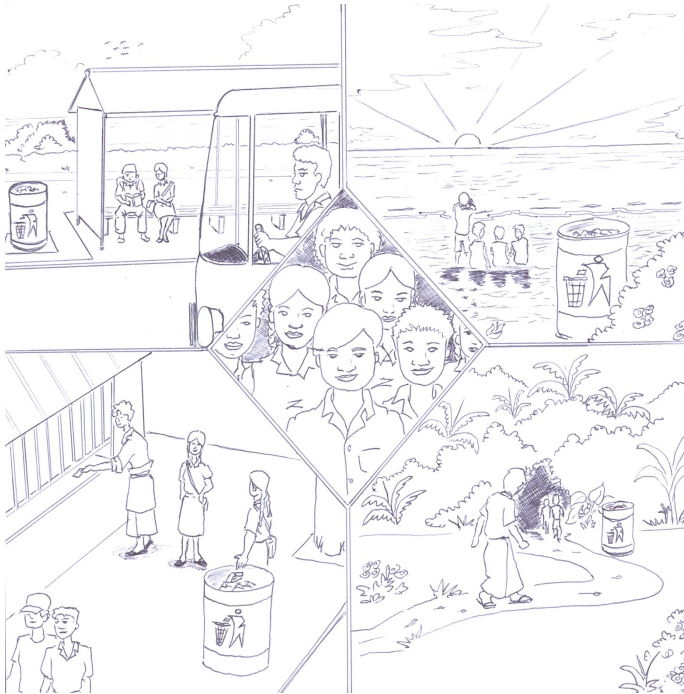

Illustrator: Harri Hapa

Comprehension Questions:

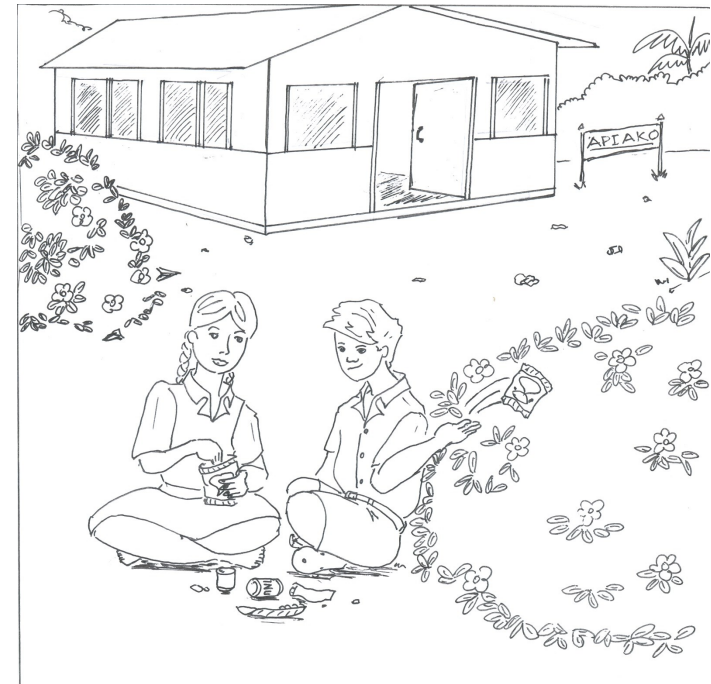

- 1) What was the story about?
- 2) Why is it good to pick up rubbish?
- 3) Where should you pick up rubbish?
What kind of rubbish should you pick up?

Every morning we start our day at school
by picking up rubbish.

When we work together, we can keep our Tonga clean.

We have to pick up rubbish because students throw rubbish from their food and lollies on the ground.

When there is rubbish on the ground, it makes our school look dirty. This makes my teachers and village very sad.

When you see rubbish in the bush, please pick it up and put it in a rubbish bin.

When you see rubbish by the shop,
please pick it up and put it in a rubbish
bin.

I have started asking my friends and family
to please throw their rubbish in the rubbish
bins.

The rubbish bins are everywhere because they help remind people to throw their rubbish in them.

When you see rubbish on the beach, please pick it up and put it in a rubbish bin.

When you see rubbish on the side of the road, please pick it up and put it in a rubbish bin.

Sometimes people think that leaves are rubbish because they make the ground look dirty too. This is not the kind of rubbish that goes into rubbish bins.

The types of rubbish that go into rubbish bins are noodle and lolly wrappers, boxes, diapers, and other things like that.

Rubbish bins look like round cans, and some have Clean Green Tonga written on the side.
